

Freeride Monte-Rosa – Gressoney Alagna Chapoluc

Two days of freeride on the southern side of the Mount Rose. The 3 Valleys of Champoluc, Gressoney and Alagna – Valsesia are connected by a single line of lifts that provide access to infinite combinations of off-piste starting directly from the lifts or with a small ascent with skins. Beyond one of the most beautiful off-piste terrain in Europe in an incomparable landscape (Matterhorn and Monte Rosa), the warm welcome and superb Italian cuisine of the Aosta Valley will enchant you.

We will stay in Gressoney -la-Trinite (Staffal)

Located in the center of the Monte Rosa Ski area. This strategic location will allow us to ski the most of the best lines, according to the prevailing conditions and join Champoluc or Alagna. We believe that the slogan of the area, "Freeride Paradise", is not usurped.

According to your ski level, you will discover the beautiful off-pistes of the area : glaciers of Indren and Bors, the Olen and Salsa valley and the passes of Zube and Bettolina . These wild valleys and authentic remained. Punta Indren : A new cable car was recently built to serve a domain reserved exclusively to freeride. From the top multiple combinations are possible.
